

Update – March 25, 2020

Refunds - We are aware that there are many questions right now about refunds. Unfortunately, we will not be able to give people a firm answer on any kind of fee refunds until we know more about how long this will last. Fees being returned to players are dependent on tournament, league, state association and facility refunds that the club receives. These entities are also trying to determine whether to provide refunds to us or give credits for future events. This will take some time as we are in a very fluid and unprecedented situation and we appreciate everyone's patience as we sort all of this out.

KCSG Homework & NEW APP – We are very excited to announce the KCSG APP. This app can be downloaded onto your phone for easier, all in one, access to the Players Homework, Planning, and the Weekly Challenges.

What you will find in the App:

KCSG Homework (Currently 4 Weeks of Sessions)

KCSG Super 7's Showdown (and any future challenges)

KCSG Homework Planner

Here is the link, to the easy to download app:

Update – March 18, 2020

We continue to monitor the latest developments & guidance from our public health officials, local & national government entities, and our soccer community partners related to the COVID-19 virus. Accordingly, we are extending our current suspension of all Kansas City Scott Gallagher (KCSG) club activities until further notice. The club will be taking a week-to-week approach as to determine when it is prudent and safe to resume club activities.

To keep our members informed, KCSG will post a weekly update each Wednesday on our website and social media platforms until activities resume. Additionally, today we rolled out our KCSG Homework program for continued instruction and player workouts during this unexpected pause.

We very much appreciate your understanding during this difficult time and look forward to resuming activities as soon as we are able.

March 13, 2020

Parents, Coaches, and Players,

Kansas City Scott Gallagher (KCSG) continues to monitor the developments of the COVID-19 virus. We continue to follow the lead of US Youth Soccer, State Associations, Leagues, State/City Agencies and local School Districts. Accordingly, we have exercised caution in our decision to suspend all Club soccer activities including training and team events until March 23. As this is a rapidly evolving situation, we will update our members with email, website and social media posts as we get more information.

You can find current recommendations from our member soccer organizations on their websites:

We strongly encourage our soccer families to take all reasonable measures to mitigate the impact of the virus on our daily lives.

THRU-PASSION
