

## **Before you join us**

Be sure to ask yourself the following questions on behalf of your entire group before joining us at Homefield:

- Am I showing any flu-like symptoms?
- Have I had a fever of 100.4 or higher in the past 14 days?
- Have I had prolonged exposure to someone who has tested positive for the COVID-19?
- Is there any medical reason why I shouldn't be around others?

If you answered yes to any of these questions, we strongly encourage you to join us at a later time.

## **Let's Work Together to Stay Healthy**

What We're Doing:

- All staff will be wearing masks (coaches will adjust to this accordingly).
- Additional hand-sanitizing stations will be placed throughout the building.
- All high-volume areas will be thoroughly sanitized often.
- Water fountains - we ask that athletes and guests only use the refillable portion and not the drinking fountain.
- Seating areas will be limited or eliminated.

How You Can Help:

- If you don't feel well or have health concerns, please stay home and join us at a later time.
- Masks are mandatory for all athletes and guests when entering Homefield. Athletes may remove their masks when they arrive at their training site, all guests must maintain wearing their masks unless they are eating or drinking. Please make sure all athletes have a mask on before entering Homefield.
- Please wash your hands and use hand sanitizer often.
- We also ask that you sanitize equipment before and after each use.
- Maintain a distance of six feet between yourself and other members as you move about the building.
