* Cost Allocations for Travel Leagues (ECNL, NL, etc) are estimates based off of projected number of games for Regional League play. Actual team budgets will be maintained for these teams, so there is a potential for in season adjustments (credits or debits) to player accounts.

** 2006 players that are 8th graders will have an additional flat fee of \$500 billed separately for their club season that conflicts with High School season (Boys = Fall; Girls = Spring). The \$500 fee covers coaching, league, practice fields, and 2 local events.
