...making soccer affordable for everyone

The KC Scott Gallagher Scholarship Fund is a 501(c)(3) organization providing financial assistance to qualifying families to offset some costs of playing competitive youth soccer that might otherwise be unobtainable without financial assistance. In short, our goal is to insure that no deserving youth soccer player in our community will be deprived the opportunity to play competitive soccer due to a family's financial condition. The Scholarship Fund will also provide scholarships to graduating high school seniors who meet certain eligibility requirements.
