KC Scott Gallagher Families and Prospective Members:

We heard your feedback from our Parent Informational Meetings and during Tryouts! The Club has decided to offer a **20% sibling discount** for all families with multiple children in the Club. The first player fees will be full price and all subsequent players registered under the same household will be given a 20% discount. The 20% discount is for Club Fees only, it does not apply to Uniforms, Academy Fees, optional training programs or extra League/Tournament fees not included in the standard fees. Any Families who have already registered their children and selected their payment plans will have their accounts adjusted.

We appreciate the loyalty of our families and we appreciate you placing trust in the Club to bring multiple children from your family to our Club! We are looking forward to a successful 2018-19 soccer season.

All The Best,
KC Scott Gallagher Soccer Club
