

Kansas City Scott Gallagher Mission

"To build the best club in the country. A club that positively impacts the development of our players on and off the field and positively impacts our community."

This Mission Statement guides how KC Scott Gallagher operates each and every day. From player development to Club Programs to our service projects in the community. We aim to be the best – while having a positive impact on the lives of our players and broader community.

5 Shield Values: THRU-Passion

To further guide our conduct as players, coaches, parents and fans, KCSG has established Shield Values. The five (5) Shield Values are:

Tradition

Scott Gallagher has a 40-year tradition of working hard, winning, being sportsman and having fun. We continue that Tradition here in Kansas City since 2005.

Humility

We are proud of our accomplishments, but we are modest outwardly. We don't brag about playing for KCSG, our specific teams, winning games or scoring goals. We are proud and we show passion, but we keep it inside.

Respect

We respect our coaches, parents, team, club, opponents, the referees and the facilities. We respect The Game.

Unity

We come together as one for our club and our team, A team that acts as one, always Wins.

Passion

We love soccer, our team, our fans and Club. We have high energy when we play. We play with our hearts.
